

President

Greater Seattle Chapter SDC Founded in 1969

Volume 46 Number 12

Sunday was a glorious day for your president. We were so full after our meeting at the Old Spaghetti Factory in Southcenter that she didn't have to make dinner that night. A few more boots on the ground would have been nice, but some things were accomplished. Bob Bryant has been a great president of vice. The Old Spaghetti Factory was a wonderful place for a meeting— nice back room all to ourselves, good service, great food,—what's not to love? And, of course, thanks to our Fall Colors Tour wagon master, Odd Justad. In spite of promised rain, he was able to get the showers rescheduled for another day so we could enjoy our drive in dry, sunny weather. Quite an accomplishment!!

We don't want anyone to forget the All Chapter Christmas Party being hosted by Club Avanti Northwest on Saturday, December 5, at Buca di Beppo in Lynnwood starting at 1:00pm (or, as the military people say, 13:00). We get to drive there in daylight, and come home before dark. That always makes the rods and cones in my eyes happy. Just hope no one has problems with the Washington DOT's new restrictions on 405 for those of us traveling north of Bellevue. I must admit I have never figured out how things done for my "safety, benefit, and convenience" are always more inconvenient and also cost me a lot more money. Maybe we can make a corollary to Murphy's Law. Anyway, salads, baked rigatoni, chicken parmigiana, cheesecake, and beverages sounds like a real deal for \$26. Send payment to: Alan Basile

See you there.

That very efficient president of vice I referred to earlier has already been busy with plans for next year. He has scheduled Lance Lambert (remember him?) to come address us in January. There is also discussion for hosting a table at the Early Bird

Swap Meet, either the one in February or the one in March. It would be an opportunity to rehome some Studebaker parts that perhaps someone else needs more than we do, and, of course, there would be Studebaker literature and a chance to promote our favorite marque. Might even get some younger members. More to be discussed later.

Although the meeting was lightly attended, we did manage to fill most of the officer positions. Eric Larson has graciously volunteered to continue as treasurer. Ditto for Bill Hallett as secretary, Walt Thompson as parts guru, Bob Bryant as vice president, and Bill Schiffer as editor-in-chief. Only the current president failed to sign on for another term, so that will have to be addressed at a future meeting.

Thanksgiving will be here soon, but it is never too soon to remember an attitude of gratitude. In our uncertain world, we want to appreciate all the blessings we have been so privileged to enjoy and to live each day as well as we can. And remember, experience is not what happens to you. It is what you do with what happens to you. Have a wonderful Thanksgiving, and we will see you at the Christmas Party.

Yr. Pres. Greta Justad,

MERRY CHRISTMAS!!

And A

HAPPY NEW YEAR!!

Mary and I ventured up north to the "North Puget Sound" chapter election meeting, which was held

chapter. Sounds like we are back to square one to me!

I apologize, again, for the "President" being late! This seems to be a common occurrence of late, as our editor has had to wait for me to do my job!

On Sunday the 15th of November our group of eight met at the "Old Spaghetti Factory" at Southcenter for our election meeting. Last year our president, Greta Justad, agreed to preside over our group for one year, but made it clear that it would be for only one year. The year is coming to an end, and so is her presidency. I will miss her words of wisdom, and your Lauren Bacall like image, that has graced the newsletter for the last year. Thanks for your service and friendship, now enjoy your well deserved break! Sounds like an epitaph but it's not supposed to be one, she's not going anywhere.

The rest of the officers agreed to continue in the positions that they held last year. That leaves us with the unfilled job of president as the only unfilled position, are there any volunteers? Think about the prestige and the perks. As always, a list of the officers is included in the "President."

the day before the Seattle chapter meeting. Like the Seattle meeting, it was their election meeting and also had eight attendees. Like the preverbal broken record, I asked for update on consolidation of the two clubs. Sad to say that even though it has been four years since I first broached the subject to the combined group, it was as though it was brand new to some of the people in attendance. One lady wondered why the NPS chapter didn't peruse consolidation with the Whatcom County chapter, rather than the Seattle chapter. To which I responded that we had been talking for years about the consolidation, and because we have a number of members that are already members of both Seattle and NPS. I also mentioned that the Whatcom Co chapter had not shown any interest in joining it's southern neighbors. Editor, Pat Knappert, indicated that he would get and advisory questionnaire out to the members, to be better judge the mood of the members. The comment was made that club bylaws would require that any consolidation would require dissolving one of the chapters and the absorption of the membership by the remaining

It made me think that maybe we had been on the wrong track all along, and what we should have been looking at should have been exploring a Seattle/Tacoma alliance. We have come a long ways to mending the silly rift that had kept the two apart for over thirty years. In the four years that Mary and I have been members of the Tacoma chapter I have seen a significant change in attitude by the Tacoma club. I think that a reunification of Seattle and Tacoma, that would have had no chance several years ago, might have a chance today. Coincidentally Mary talked to Don Albrecht on the phone and he brought up a Seattle/Tacoma alliance as a worthwhile pursuit. I would like some feedback on this, so I know if I'm just whistling in the wind.

For those members who have not heard, cancer has returned to haunt our good friend and editor Bill Schiffer. Our thoughts are with you, get well soon!
