BREAKING NEWS

The Spring Brake Tech Meeting location has been changed. It will no longer be at the Old Spaghetti Factory Restaurant in Tukwila. Odd Justad will be conducting a demonstration of brake line fabrication and will discuss interchange possibilities for Studebaker springs at Odd and Greta's home at 6302 164th Ave SE in Bellevue. Odd will be also showing his vehicle collection and the chapter will be providing lunch for those attending. So bring your tech questions to ask or your useful hints or technical experiences on how to do something right or how something did not work out quite the way you thought it would to share with the group. tails elsewhere in this issue.

The Early Bird Swap Meet booth was well attended. I handed out lots of SDC brochures and GSC newsletters. Studebaker owners and potential chapter members stopped by to visit from Alberta and British Columbia, Canada and the states of Idaho, Oregon and Bremerton, Kalama and Spokane in Washington state. Chapter members that stopped by were Don Andersen, who was looking for pre-war Studebaker parts and Don Kelstrom, who was able to watch the booth while I took a short break and took my photo for this month's Steering Column.

Evelyn and Clay did a great job hosting "Our First Ever Valentine's Day Party" at Charlie's Restaurant in Puyallup. Evelyn's fantastic centerpieces were raffled off to those lucky couples who attended. Bill Schiffer was remembered by his daughter and her husband and long time members of our chapter, who told many stories of Bill's life and influence on our chapter.

Coming up in April will be a tour of the Hydroplane Museum in Kent

followed by a pizza party at Don and Joan Andersen's home. This will be followed in May by a detailing demonstration and lunch at Griot's Garage in Tacoma hosted by my wife and me.

Hope to see you at all of our upcoming events .

Studerly, Bob Bryand

SECRETARY'S SCRABBLES

The February Meeting was a Valentine's Party at Charlie's Restaurant in Puyallup. Evelyn Hoebelheinrich organized the party. She made florist-quality edible centerpieces, which

were door prizes, along with other goodies. All 18 of us really enjoyed the party - Thank you, Evelyn! We had guest visitors, Karen Erickson and her husband (sorry I missed his name). Karen is Bill Schiffer's daughter. She surprised the group by volun-

teering to help with the President Newsletter. Thanks so much, Karen - your father would be so proud!! Note to members: This would be a great place for the Christmas Party

MARCH MEETING

SUNDAY THE 13th @ 1 PM

Place will be at Odd and Greta's place, 6302 164 Ave SE, Bellevue.

Note this is a change from the original plan as the original speaker could not make it and it was thought a private place would be better for a tech session. Also note that it will be a general discussion, Odd has no special knowledge of brakes except that they should stop the car
