

President

Greater Seattle Chapter SDC Founded in 1969

Volume 46 Number 6

Don and Joan Andersen came through and volunteered to host our June meeting. They were supposed to host a meeting earlier this year that got canceled due to many members attending a memorial service for chapter member Don Greenlund. The previously scheduled garage tour will now consist of viewing Don Andersen's latest projects, as the other proposed stops were not available due to scheduling conflicts or other issues. The Andersen's address is 11406 S.E. 223rd Street, Kent, the date is June 12th and the time is 1 pm. And for those who attended the Northwest Overdrive on Vancouver Island, I look forward to hearing all about this year's meet.

In July, our chapter will host the annual All Studebaker Picnic at Mud Mountain Dam State Park in Enumclaw on Sunday, the 10th. In the past the picnic was scheduled on a Saturday, but this year it was

The President's *STEERING COLUMN*

moved to a Sunday to attract more people and more Studebakers. So get the word out to all your Studebaker, Packard, Pierce-Arrow and Avanti friends and bring your potluck dish to share and your Studebaker or related car for others to view starting at High Noon on Sunday, July 10th. As in previous years, we will be parking on the grass next to the Chinook shelter. The May issue of Turning Wheels contains Greta Justad's tribute to our late newsletter editor, Bill Schiffer. Great Job, Greta! Well written. It also contained a surprise for me, as it featured a photo of Bob Bryant's Avanti on the back inside cover. It wasn't me, as that Bob Bryant lives in Connecticut. However the 1963 Avanti was the same color as the red 1963 Avanti I owned many years ago and sold to Michael Myer, son of Jon Myer, after I bought my 1989. I don't think that it is the same car, but it might be.

The Memorial Day weekend marked the unofficial start of summer. So check

your oil and water and get your Studebaker on the road and enjoy all the cars events you can. There are plenty of activities out there to take advantage of such as cruise ins at America's Car Museum, at Colby in Everett, Greenwood in north Seattle, or at a shopping mall or drive-in near you or various car shows throughout the Seattle-Tacoma-Everett area. Just enjoy summer and drive your Studebaker.

Tech Tip from the past

By Bob Bryant

This technical tip is taken from the October 1956 issue of Car Life magazine.

"SOUND DIAGNOSIS: "Play it by ear," say Studebaker engineers, if you hear strange noises from the transmission of your '56 Stude. These noises often tell you what's wrong; all you need to know is which sound to connect up with which trouble.

With the gearshift in neutral and engine idling, difficulty with the bearing will show up as a distinct hissing noise. In severe cases, a bump or thud can be heard.

Rough, worn, chipped, or scuffed gears will give themselves away by an intermittent growling or bass hum.

If the transmission and engine assembly are out of alignment, a grinding noise will tell you this condition exists.

So before you tell a mechanic to "take it apart and see what's what," listen to the car carefully. You may save some of your money and the mechanic's time if you can describe the symptoms and apparent cause of the trouble."

Note: Although this tech tip doesn't say, it probably refers to a manual transmission. I would not put the transmission in neutral (whether it was manual or automatic) unless the wheels were blocked so the car would not move.

STUDE STUFF FOR SALE

CARS FOR SALE

1946 Champion Skyway Business Coupe Solid, all original NW car. Only 2140 of this body style produced that year. 3 spd with O/D, 60,446 miles on odometer. The car has some rust in the RR fender, and on the drip rail of the trunk. Needs paint and upholstery. Missing one door panel and headliner, but still has the original curtain on package shelf. Runs but needs brakes, and has an exhaust manifold leak. \$5000 425-413-3958

1959 Silver Hawk 6 Cyl. 3 spd/OD, HH, Straight body, no rust, never wrecked. Have nearly all trim. Runs & drives. Mechanically restored by Chuck Tubens. Everything works. Long list of new parts. Car is still at Tubens home. Also selling off tools and small equipment. Have hydroponics growing equipment. Need place to live and grow, could make them a lot of money! Dave Toney Call anytime 503-701-8675

1960 Hawk. Purchased by me in 1963, now at 146,000 miles. Needs paint, engine overhaul and seat reupholstering. Not driven since stored in my garage in 1987. Photos available. \$5000. Ern Anderson, Kirkland, WA 425-822-9716 ern.anderson@gmail.com.

1960 Lark Regal VIII Hardtop Good running V8w/AT, TT. Clean interior, working radio, good glass and chrome, no rust in floor or trunk. A sharp, clean good looking car. Trans shifts ok, but has issues and will need attention in future. White over red. 1st \$4,000 takes. Will consider trade for decent 1950 Land Cruiser or pre-war, no projects. Scott 503-397-5542

1963 Avanti R2 AT, Red over red, numbers match, newer paint/upholstryPro maintained. Second in class at two concours, many show awards. Looks, runs great, 122k miles. Dave 503-256-0229 or ddgay@sbcglobal.net, Leave message.
