

The President's *STEERING COLUMN*

Summer is here! Let's Picnic! In July besides celebrating Independence Day, it is time for our annual trek to Mud Mountain Dam Park in Enumclaw on July 10, to share the picnic items we brought and check out everyone's cool cars, be it Studebaker, Avanti, Packard or Pierce-Arrow. This year the picnic is moving to Sunday, since last year people told me that their friend couldn't attend since they had to work on Saturday. That being said, I expect a HUGE turnout. So you need to head out a bit early so you can

get a prime spot on the grass next to the Chinook shelter for the All Studebaker Picnic starting at High Noon on Sunday.

At our last month's meeting at Don and Joan Andersen's home after a delicious chili feed and a tour of Don's latest projects, the chapter decided to not have a meeting in August since there

were too many events already going on including the Pacific Can-Am Zone Meet in Kamloops, BC on August 5th and 6th.

Last year, our most attended and most enjoyed event was our tour of the LeMay Family Collection at Marymount in Spanaway. This year, I suggest that you might want to attend their annual open house on August 27th which includes tours of the collection and the collection at the LeMay home, a vehicle auction and a huge car show. More information on this will be in next

month's Washington President.

Finally, at the picnic on the 10th I should be able to give you an update from this year's SDC International Meet in Warwick, Rhode Island on the status of the 2018 SDC International Meet in Seattle-Tacoma area. Mark Carson, editor of the Studebaker Packard Post, from the Vancouver BC Chapter will be in Warwick representing the Pacific Can-Am Zone, since both James Bell, our zone director, and Lynn Fletcher, our zone coordinator, are unable to attend. Mark will be giving the presentation on the proposed SDC International Meet in our area.

After the basic details are worked out at this year's International meet, the real work begins organizing the seminars, tours, meetings and other events and getting people to staff all the activities. So stay tuned, as they say. We will need your help to make the 54th SDC International Meet a success.

See you at the picnic,

Bob Bryant

SECRETARY'S SCRABBLES

Sorry that your old Scribe has been absent from these pages for some months. Some would say that was a good thing, others remain mute. Well I am back, but for the sake of brevity I'll try to keep the editorializing to a minimum

Mary and I attended the Northwest Ovedrive on Vancouver Island over the Memorial Day weekend. There were about forty cars and over one hundred attendees, but Mary and I were the only Seattle Chapter members present. Saturday's tour was short and soggy but worthwhile as we cruised through the beautiful countryside (it was the wettest day they had all year). It may seem hard to believe that with all the record setting rain that the Seattle area experienced this last year, the Island got little of it, and they are now experiencing drought conditions!

Sunday's longer and much sunnier tour, took us to an older gentleman's fabulous car collection. Wish that I had taken notes, but I was too busy enjoying the collection, eating doughnuts and drinking coffee. I really enjoyed the stop! We had lunch at a logging museum, where logging on the Island was highlighted, and were treated to a train ride through the forest and around the compound. The banquet was not your regular "rubber chicken," it was great. Both of us enjoyed the meet, just sorry that so few from south of the border

attended!

On Sunday June 12th the normal eight plus one enjoyed the hospitality of the Andersen's home in Kent. Joan always goes above and beyond! She fed us homemade chili and her home baked cookies. Odd and Greta brought some of their freshly picked strawberries and several types of bread made sure that none of Joan's delicious chili went to waste. Thank you so much Joan!

Much time was spent in Don's garage, where we were able to share the progress that he has made on his multiple projects. The most recent accomplishment has been the painting of his 1941 Cadillac. All agreed that the stately shade of blue/grey suited the car perfectly! Don also has completed the upholstery in the 1938 Commander, it looks good and seems ready for a tour! Don's free truck which had experienced an unfortunate fire is reportedly close to drivable after being rewired. Last but not least, the very rough front fenders on the 1937 President are now ready for final blocking and paint. I don't know how Don accomplishes so much! Thanks again to both of you!

It was decided that the picnic will be our July meeting. Look forward to seeing everyone at Mud Mountain dam on July the 10th.

Your Constantly Humbled Scribe,
