

# President

Greater Seattle Chapter SDC Founded in 1969

Volume 46 Number 12

## The President's *STEERING COLUMN*

“First I would like to wish everyone a happy Thanksgiving. Second I would like to remind everyone of the All Studebaker Christmas party on December 3<sup>rd</sup>, a Saturday. This year it is hosted by the North Puget Sound Chapter and will be held at Jimmy Mac’s Roadhouse in Everett at 1 pm. So get in your Studebaker and drive up to Everett to celebrate the holidays and support the North Puget Sound’s Christmas Party. The cost is reasonable at only eighteen

bucks a person. See the flyer in this issue for all the details.

At our last meeting at Rick and Laurel Berry’s, the chapter voted to still charge the members who are mailed a printed copy of the Washington President an extra fee of 12 dollars to cover the cost of printing and postage. (The basic e-mail dues were reduced to \$12.-, ed) We were treated to a fabulous lunch of hot dogs, cheese burgers and chili and a tour of all the Berry’s cars.

Yes, we had our annual election of officers. Walt Thompson will remain as Parts Guru, Eric Larson will remain as Treasurer, Bill Hallett will remain as our humble scribe, and Odd Justad as temporary Newsletter Editor. Newly elected officers are Mary West as Vice President, returning to do the excellent job she did in the past, and Laurel Ber-

ry as your new President. Congratulations to all.

After the elections, we closed out the meeting portion of the day’s activities with suggestions for next year’s activities. Some things that were discussed were visiting the Hydroplane Museum in Kent, visiting the LeMay Family Museum in Spanaway, visiting a custom fabrication shop in Burien and a garage tour in Renton. All these things could take place plus Northwest Overdrive, Pacific CanAm Zone Meet, SDC International Meet in South Bend in May, our annual All Studebaker Picnic in July, and Fall Colors Tour in October. Could be a busy year coming up.

Lastly, I would like to thank all the chapter members who helped with all the activities during this year and wish everyone a “Merry Christmas and Happy New Year”.

*Bob Bryant*

August ? 2018

54th SDC International -Tacoma WA?

***DUES ARE NOW DUE***

As always, the yearly dues are due by January 1 for the coming year. As I understand it, some people who joined lately paid dues in mid year for a full year. Normally when you join during the year you only pay for the remaining months for the year as indicated on the application form. To rectify this for those of you who might have done this, when you renew now, deduct for the month you already have paid for in the next year. (Example: you joined in May and got the May newsletter but paid for a full year. That means you can deduct for 4 months dues ( Jan-Apr).

Also as agreed to on the last meeting, the dues are now reduced to \$12 a year, which makes it easier to calculate the monthly dues. Furthermore there is considerable effort and cost to producing and mailing paper copies. And as temporary newsletter editor, I have made an executive decision that only electronic versions will be provided. (This could possibly be changed by change in editors). Yes, there are a couple of members without the means to receive an electronic version. For those a paper copy will still be mailed and requires \$24 in membership dues. (This option is not available to people who can receive an e-mail version). Besides, paper copies will only be B &W.

The Editor

*From our election meeting . From left: Walt Thomson, still parts guy; Dorothy Abbott; Greta Justad, Eric Larson, still treasurer; Don and Joan Andersen; Odd Justad, by default editor; Mary West, our new vice president; Bill Hallett, still secretary; Laurel Berry, our new president; and Bob Bryant, the outgoing president*

*Our new power house, Laurel and Mary.*

**THE EDITOR'S NORWEGIAN SIDE**

Ole showed up from work with bandaged ears. "What happened?" asked a fellow worker.

"Vell," said Ole, "Last night I was ironing my shirt when da phone rang and I picked up da iron by mistake."

"What happened to the other ear," asked the companion.

"oh ...dat," Ole explained. "Vell, I had to call a doctor."

The Seattle faithful met at Laurel and Rick Berry's charming home for the club's annual election meeting. After this year I don't even like to say the word election, but there I said it again! Twelve of us shared a delicious meal of BBQ burgers, salad, Rick's "famous" chili and cookies while we readied ourselves for the ELECTION. What a treat it is to see the Berry's collection and the changes that they have made to their house! There is always something new, which this year included a new garage, Packard Hawk and the beautiful newly arrived original AMC. The newly remodeled kitchen was beautiful and I really enjoyed the "new" furnishings, I love antiques!

Bob Bryant has, for the last year, done double duty as president/vice president. Thanks Bob for your contribution over the last several years. It was time to pass the torch to give you break. Our thoughts are with you during this difficult time of your wife's illness.

Laurel Berry graciously volunteered to "dust off her

gavel," and once again become our president. She had held the office in past years so we know that the position will be in good hands. Mary West consented to become our vice-president, a position that she so ably filled for so many years before passing the job on to Bob. Eric Larsen said that he would be willing to continue to remain in the position of treasurer. Odd Justad said that he will continue to be our editor. Obviously the editor has the most difficult job of all. I don't know where the club would be without his generous contribution. Last, but not least and with nobody interested in darkening this page with his own words of wisdom, you will all have to put up with one more year of my mindless palaver. Thanks again to all that help to keep us moving together.

Your constantly humbled scribe

Bill Hallett

***Out of the blue I got this little article below as an e-mail. Believe he was trying to sell the drawings. I never knew that Studebaker contemplated building motorcycles***

In 1941 The United States joined the war in progress in Europe and American factories were ordered to join in the effort. The automotive industry was no exception. One of the Designers at Studebaker saw this as his chance to make his mark in the motorcycle world and the war. He came up with an innovative design that would have served well in a foreign war, and it would have had enough power to blow the competition out of the race.

The design used a lot of the components from a German designed BMW, and featured a British designed powerplant, the Ariel Square Four. The combination was incredible and three prototypes were immediately produced.

Not long after the motorcycles were built one of the two main designers was dissatisfied. He felt the motorcycle had too much power, and that it was dangerous. Unfortunately his partner didn't agree and while riding one of the prototype bikes, he lost control, destroyed the bike and ended his life. Distraught from the loss of his long time friend, the surviving designer decided to destroy the remaining motorcycles and the plans related to them.

My Grandfather arrived on scene and was too late, the bikes were gone, destroyed in the factories crusher, and all but a few pages remained. My Grandfather Consoled the man and convinced him that was not what his friend would have wanted, to have his final work erased. He gave my Grandfather the plans and now I am sharing an extremely limited amount of reproduced copies. Maybe one day someone will build one and bring it to Antelope!

**Christmas Party**  
**Saturday December**  
**3rd, 2016 at 1 PM**

**The North Puget Sound Chapter Studebaker Drivers Club would like to invite you to a Christmas Luncheon, to be held at Jimmy Mac's Roadhouse Restaurant in Everett, WA.**

### STUDEBAKER LITERATURE

Owners Manuals, Shop Manuals, Parts Books, Sales Catalogs & folders, Paint Chip books,

Salesman's data books for 1914 to 1966 cars & trucks. Have 1,000's of original Studebaker literature., history and photo books and back issues of Turning Wheels \$2 @. Special prices for SDC members. Overstock special 1956 Passenger car shop manuals (also used '57 & '58. supplements \$15

Bruce Kerslake 360-254-1461 or: [brucekerslake@gmail.com](mailto:brucekerslake@gmail.com)

### OTHER STUFF

Just got a request from Ernie Loga. Is there anybody out there going to South Bend next year and is willing to transport a '27 differential and 2 wheels from Jim Tefft in Idaho to the meet? I think that would require a truck for the differential. 715-829-3357
