The President's *STEERING COLUMN*

"Happy New Year and greetings to you! My name is Laurel Berry and I am your new President. This is not my first time getting this gig; I was President in 2005 also. I was also President of the (now defunct) Cascade Rambler club for many years. If I haven't met you yet, I look forward to meeting you at one of our wonderful monthly club events.

My Studebaker is a 1964 Avanti R2, named 'Emma', which is currently getting refurbished by my husband. The supercharger and carburetor are out

being rebuilt; hopefully we will get them back before summer! The First Gentleman drives a 1953 Commander, 'Barnabas', coupe with no heat or power steering. The latter issue will be corrected sometime soon with a fresh, rebuilt power steering unit. We also have two 1958 Packards; a Hawk, 'Hoover' and a 4-door sedan, 'Ethel'. Can you guess that all of our cars have names?

Rick and I have been club members since 2003. We were both Rambler people. We met because I bought a 1965 Rambler Marlin and joined the Rambler club in 2001. We had always liked Studebakers and I had wanted a Lark, but we hadn't seriously thought about owning anything other than Ramblers. Then Walt Thomson (Rick had met Walt through Walt's AMC Eagle wagon) impressed upon Rick the cool-factor of Studebaker and we bought our first; a 1964 Daytona Wagonnaire. It was white with red interior, 3 on the tree, had been sitting for 25 years and needed everything. We never drove it, it was sold to the Bells and they sold it a little while later. I think it is in California. We have had a Lark or two since then, a couple of trucks, an Avanti II. All are with

new owners now except for Emma, Barnabas, Hoover and Ethel. I would really like to have a 62 GT Hawk. Rick wants a 61 Hawk. Maybe some someday!

Back to 2017: It is difficult to come up with fresh ideas for events every year, so please attend our January planning session at the Boarding House restaurant in Issaquah. Mary and I would love to get ideas from everyone. One of the events we are planning is a 'tech' meet, where club members can drive their cars to the hosting member's garage for quick repairs completed by the group. These were very popular events in our Rambler club and Rick and I hosted one of these for the Studebaker club several years ago, and will be hosting for 2017, the date not yet determined.

Since our club is also in charge of putting on the Studebaker National for 2018, we will need lots of volunteers to make sure the event is a success! I hope we can count on everyone to help in some capacity.

Here's to a fun-filled 2017!

Laurel Berry

OTHER STUFF

Just got a request from Ernie Loga. Is there anybody out there going to South Bend next year and is willing to transport a '27 differential and 2 wheels from Jim Tefft in Idaho to the meet? I think that would require a truck for the differential. 715-829-3357
