The President's *STEERING COLUMN*

*to all of
you,*

Hope that everyone had a wonderful Christmas and New Year's Day. I attended Ray Keehner's memorial service, as did many of you, on December 2nd. It was

a very nice service and I know that his family knows how much we miss him.

Thanks go out to Mary West for coordinating our multi-chapter/multi-club Christmas party at Pogacha in Issaquah last month. Very good food, great company and decent weather. I think one person drove a Studebaker (Lance Lambert with his 63 Avanti – anyone else I missed?) and we drove our 1962 Chrysler; our '64 Avanti is still under-the-weather, so to speak. Our '53 Commander has no heat or defrost, so that was out of the question too.

Our January meeting is in Kent on Sunday the 14th at 2pm. Location is Mitzel's American Kitchen. This is an important meeting to attend, as we come up with the majority of our 2018 schedule of events. I hope we have good attendance.

Regarding the 2018 SDC International meet, things are still moving along, and we should have registration forms and schedules available on the meet website in January and in Turning Wheels and local newsletters by February/March. Committees will start to communicate via emails or conference calls also. More to come, stay tuned.

All the best,
Laurel

At this point, we are trying to get prices, contracts and forms finalized to get the meet web page up to speed and revenue coming in to defer expenses of the deposits we had to pay. We are hoping to get the registration form to Turning Wheels for the February or March issue.

We hope to have monthly meetings or email updates by February to all the volunteers. I have scheduled a joint meeting of the Greater Seattle and Tacoma Area Chapters in April at the Olive Branch Tea Room, home of our Ladies Luncheon. It is only a few blocks from the LeMay ACM.

SECRETARY'S SCRIBBLES

Thank you, Mary. Bob Bryant gave us an update on the 2018 International meet. Looks like arrangements are going well, but more help is needed. If you can help, and we hope you can, let Bob or Laurel know as soon as possible. Several committees still have openings. We also got an invite to

Our December meeting was, as usual a Christmas meal. It was held at Pogacha in Issaquah. Our VP, Mary West, made the arrangements and it was a great choice! We had private space, good food, good service and, of course, good Studebaker company.

the first swap meet of the year in February at the Puyallup fairgrounds. The December meeting/dinner was well attended (about 30 people) with representation from at least 4 Club Chapters. Our next meeting is January 14th at Mitzel's in Kent. See you there.

Don Andersen
Secretary elect

LAST FAREWELL

We are so sad to say “good-bye” to our own Ray Keehner, one of the most enthusiastic, dedicated, capable members the Studebaker Club, will know. Ray was always up to lead the charge, whether for a tour, a special meeting, or a job that needed doing. He even led the way with a birthday on January 1, 1941. Ray left us suddenly on November 16, 2017 doing what he loved doing, working on cars. And I am certain that the lines are already forming in heaven with folks saying “Hey Ray! Can you fix this?” Ray never turned anyone down who needed help.

**Ray with Carol and Sweetpea**

Ray and his wife Carol recently moved from Bothell to East Wenatchee, right next to the airport, where they planned a life of relaxation, peace, and new adventures. And easy access to his airplane. They were married for 35 years. We have lost a good friend and a fantastic human being.

Rest in peace, Ray.

From Mary

I got a call from Don Albrecht to say his friend, Orv Sankey, whom he had known for many years, passed away on Dec 16th. He and his wife Georgette were long-time SDC members. There will not be a funeral, but it would be nice to send Georgette and family a card.

I spoke to Walt Thompson who knew Orv for 40 years. They had a 53 coupe and pickup which they towed behind a camper all over the country. He had a business where he made glass eyes. He was so well known for his workmanship, he had offices in Seattle, Anchorage, and Athens, Greece. His son runs the business now, and has moved in with Georgette to help her. She is not doing very well, either, so I am sure a greeting card or phone call would be greatly appreciated.

STUDEBAKERS TOURING THE WHITE MOUNTAINS

Sunday the 13th, of May 2018, is registration day and welcome night dinner with a meeting.

Monday the 14th, is a full day tour to the Painted Desert and Petrified Forest with coffee & snacks just before entering the park. Half way through, around Blue Mesa, go to the north end for lunch. Here if the cafe is full, tour the museum at the same location, after lunch, those that have not done the Painted Desert tour, do so now, then start back tracking the way you came in. If you have a Golden Age Passport, be sure and bring it along with your camera. At the entrance you came in, there is also a great museum and rest rooms there.

Tuesday the 15th, scenic drive to a location that has an overlook that you can see New Mexico from there. Large parking lot that we should all fit in. Coffee, drinks & snacks here. Restroom also located here. Then we back track about 5 miles, turn left to the X Diamond Ranch and the Little House Museum and an archaeological site is also at this location. We will have lunch supplied here also. On the way back, keep a watch for the Blue Ridge School on the right, just past the school look for a small shopping center that has the WSM theater, next to the theater is homemade ice cream store. To be fair, your first cone is free. If you want anything with the cone, that would be at your cost.

Wednesday the 16th, tour to Payson, Arizona, this is our Pit Stop and coffee, drinks & snacks just before starting down the Mogollon Rim, on the left is a large parking lot and restrooms. There is a great overlook here that if you do not stop and view this you have missed a great one. Be sure to have your camera. There is an information center here that you will also want to check out. Then on to Payson and visit the Zane Gray Museum and the Payson Museum, then on to the park for a great lunch put on by the Rim Country Auto Club. They are serving hamburgers, hotdogs, and all the fixings, soda, water, chips & whatever. Guaranteed to fill you up. After lunch, we'll head for the Tonto Natural Bridge, again, be sure and have your camera, then on your way back to Show Low you would want to stop at the fish hatchery. This will be your longest day, and a day you will be talking about for a long time.

Thursday the 17th, another scenic drive, part of it you did on Tuesday, at the Hon-dah Casino, coffee, drinks & snacks here, then make a left on 73 south to Whiteriver and Fort Apache, on May 16th 1870 this was an Army Post. And remained so until 1922, it was then an Indian Boarding School. Located another 4 miles west are the Kinishba Ruins. Hopi & Zuni Indians lived here from about 1200 to 1400 AD. Subway snack lunch available here. After leaving the ruins, continue west on Rt. 73 and turn left onto Rt. 60/77, this will a little hair raising drive, good roads & etc., just the scenery is amassing, you will go down a canyon at least 1000 ft. There are overlooks that you can pull off for pictures. Go to the bottom and up the other side to the first large pull out, we will try to have drinks & snacks here also. On your way back to Show Low, just stay on Rt. 60/77 and you will end up back on the main drag in Show Low.

Friday the 18th, Tour of the Show Low Museum, close by we will visit the monument of Marion Clark & Corydon Cooley and learn how the town was named by the turn of a card. On leaving there go left back to K-mart for coffee, drinks & snacks. On to a friend's tractor and hit & miss engine collection. All just like brand new. Leaving here we will turn right out of Bob's drive, travel about 2 miles and for Gold Hill Dr., first building on left is Kent McQuillan's model T Ford shop. He has a small collection of Model T's. Worth looking at. then move on to the Studebaker Ranch, tour the cars & shop, have lunch, spend the rest of the afternoon at the ranch visiting with friends. This change will give you more time for lunch and relaxing after a fast week.

Then the closing Banquet at the Show Low Café, seating about 5:00 P M, 1700 hours, serving about 6:00 P M, 1800 hours

This is Malcolm , We have been on one of his tours before as an ASC meet. His place is quite something and if you have a chance, this is the tour for those who like touring. 6 days worth, longer than the international meet.
