meet! They look great and I am sure they will be a sell-out.

As of today, July 26th, as I write this, we have 292 total registrations and 575 total attendees! I've send out press releases to all of the major TV and radio stations in this area, but haven't heard a peep from any of them yet. I also sent an email to the mayor of Tacoma. I'll follow up with all of them and hopefully our event will get some press.

Please attend our next meeting on the 11th at Kathy and Kenny's house. It is a potluck, Kenny will be grilling burgers so please bring a side dish or a dessert to share. Also, please bring donations of non-messy, shelf stable treats for the hospitality suite; packaged cookies, granola bars and dried fruit roll-ups are good snack ideas.

See you on the 11th!

Laurel Berry

Hello everyone,

Well, here we are less than a month before the international meet. We still need help in many areas, so if you have been on the fence about volunteering, please let Bob Bryant or me know and we can put you to work.

Thanks to Bob, we will have t-shirts and hats to sell at the

## **AUGUST MEETING, BBQ AT DURKEE'S HOUSE**

**When: Saturday, August 11th at 2pm.**

**Where: Kathy and Kenny Durkee's, 14810 SE Jones Place, Renton 98058.**

They will supply hamburgers, hot dogs and drinks. If everyone can bring side dishes, that would be great. They will have the grass pasture open for parking cars -

The more classic cars the better!!

## SECRETARY'S SCRABBLIES

Our July meeting was at Mud Mountain Dam Recreation area. We had a beautiful, sunny day with about 35 people from four different chapters in attendance. I counted nine Studebakers including one pickup. The oldest Studebaker was Jeff Jennings' '39 President. The food was, as usual, very good and plentiful. We had no formal meeting, just a chance to catch up on conversation with Studebaker friends. Thank you Mary West for setting up another fine outing.

We will be having a picnic on August 11th at the Durkee's (1:00pm.) and the end of August is the 2018 International Meet in Tacoma. That is the big show we have been working toward for about two years. And, I can tell you that we still have swap meet spaces available both inside and out. The contract form says you have to have your money in by now, but that is not true. If you want a swap meet space, send your contract form and money to Debbie Massie.

God Bless,  
Don Andersen

## An STP treatment for the wheels of justice, perhaps?

Say what you will about the efficiency of the U.S. government and the slow-rolling wheels of justice, but things eventually get worked out.

Just this month the Justice Department filed to terminate a price-fixing judgment it won against ...  
wait for it ... **Studebaker Corp.**

On Halloween 1963, the department's antitrust division filed a complaint against the carmaker — it ended production in 1966 — for fixing prices and allocating markets for motor oil additives, including STP oil treatment.

In 1965, the company settled the complaint, agreeing to stop fixing prices and stop limiting who its oil and fuel additive distributors could sell to. This year, the antitrust division is cleaning house, in a sense; clearing out 19 legacy antitrust judgments "that no longer serve their original purpose," including the 55-year-old case against Studebaker from the U.S. District Court for Nebraska.

*This came from Kelstrom. Rick Berry should recognize where it came from. BTW, AIRTEX company is still in business. Doubt they still make seatcovers for Studebaker*

58 Studebaker Scotsman sedan. Bill McKivor 206-244-8345.

Found in a barn in Oklahoma, someone took it all apart as it was rust and dent free, and did a frame off restoration. My assessment is that the broken odometer was probably right, the car had 48,000 on it. That anyone would do a frame off on a Scotsman rather amazed me, but--- Anyway, something happened to the fellow who did it, it was 80% done, and his family sold it to a man in Texas. It had not been completely put back together, though a heater was found, it has turn signals, chrome bumpers, and a really nice purple and white interior. The exterior was also painted purple, the car looks surprisingly nice. The prep on the exterior paint was not good, and I kept it outside and inside and used the car for everything. The purple exterior is peeling, and will cover it a bit better, good prep work, then a repaint. And, NO trim to take off!!

It runs wonderfully, the 6 cyl flathead drips a bit (find one that doesn't), it has a never fail manual choke (love those), and the car is super dependable. Starts right now, every time. Currently has 14" tires and rims, but a set of 15" (rims only) can come with it if desired. Just installed new brakes, wheel and master cylinders, and it is ready to go. I put in a new gas tank when I got it, and it runs like a deer. Also, it needed gauges and a speedometer, borrowed them from my 57 parts car, I think they all work now, and I have the 58 bezels to put in gauges that came in the car. It also has new glass all around, (excepting the front door wing windows) with all new seals. It does not leak a drop of water. I was going to use it as a great grocery getter, but have too many cars. It will be inexpensive, \$7500 covers my cost, I think, so let's call it that. Where else can you get a frame off restoration for that money? Finish to taste---

57 Studebaker Silver Hawk.

Never a dent, never any rust, the chrome and stainless all original and never restored---even the wheel covers and the exhaust tips are original on the car. Exterior was painted in 1995, all with correct colors and paint. The interior all original, radio worked until recently, it tries, but needs a diode or something. Heater is fine. Car was always stored in heated garage at a dealership, up to 1995. There is not even a crack in the steering wheel. The seats were repadded, over padded, really, and are super comfortable, and the last owner had custom covers made that look like Studebaker to the unpracticed eye. All running gear is original, 289 V8, Stick shift, overdrive--- I put in new valve guide seals, and a rebuilt Carburetor---all the motor needed.

My only change to the car was to put in front disk brakes, so it has a dual system, and stops on a dime now, straight ahead. Done for safety, and no one knows the difference to look at it. The exterior and interior, and all chrome and stainless, are very nice and it shows well. All interior parts original except the seat covers. Odometer was not working, and last owner replaced it, with one with higher miles. His estimate, and mine, is that the car has 90K on it, over 70K by the

original owner, who used the car. The history of the car is compelling, it never was stored, always used a bit. I drive it often. In 2012, at the Can Am, had it judged, it gained 378 points out of 400. I have the judging sheet. The Hagerty insurance folks came out and checked this car over, it is valued in the book at \$38, 500, I put \$35.000 insurance on it, and we can talk about it. One other estimate of value came out at \$35,000 as well, done 4 years ago. You will never find a nicer nearly unrestored stock Silver Hawk. Bill McKivor 206-244-8345

Club member,

A good friend of mine recently passed away from cancer, and his widow would like to sell his 1968 Studebaker to pay some bills. It is a beautiful convertible car that is in good running condition. We would like to list it, and hoping to get some advice on the value, and best place to list it for sale. The car is located in Chelan Washington. Any advice you could give would be greatly appreciated. A few pictures are attached.

**Hotel Information**

We have been informed that all three host hotels have been filled for the special Studebaker rate. There still might be space available, but for a higher rate.

There are also quite a few other hotels available in the area. A quick google search for hotels/motels within a 5 mile radius of the Tacoma Dome came up with the following list.

Sunshine Motel, Guest House Inn, Travelodge, Prt of Tacoma Inn, Guest House Inn, Extended Stay of America, Silver Cloud, Shilo Inn, Motel 6, Hampton Inn, Red Lion, Comfort Inn, Crossland Econmy, Howard Johnson, Econo Lodge and Quality Inn.

I'm sure there are more, so you should be able to find a place if you still don't have a reservation.
