

## The President's *STEERING COLUMN*

people had a good time. Did we make money? Still too soon to tell. The highlight of my year was of course, getting our 1964 Avanti out of the garage and on the road. Thanks for my husband and other club members (both Studebaker and Avanti) that helped when needed.

I was not able to attend the November election meeting, but am glad to report that Jerry Walker will be your new President! I am confident he will do a spectacular job, along with First Lady Myrna. I believe everyone else stayed in their current roles. Thank you to our officers, who put so much time and effort into our club activities and to our newsletter editor, Odd, who does a fantastic job. I look forward to seeing what 2019 events will be planned for our chapter!

Thank you for allowing me to be your President for the past 2 years, I enjoyed it very much. I hope to see you at the Christmas party at the Renton Red Lion on December 1st. Please send in your RSVP if you have not done so already. We can raise a glass and toast to the new year and our beloved Studebakers.

Warm Regards,

*Laurel Berry*

*(She forgot to mention that they also brought home the "PLATINUM" award for their Avanti in the Avanti club. That is the highest Award given out by the Avanti club. Congratulations, ed))*

Happy Holidays fellow Studebaker fans,

Another year has gone by and our cars (and ourselves!) are all one year older. It was a year of some stress and fright, I must admit, but also of great fun and friendship. The International Meet was a ton of work for several of the Seattle and Tacoma chapter members, but I think it turned out well and that most

*The Avanti section at the International. Where is yours, Laurel?*

## **DECEMBER CHRISTMAS PARTY**

**When: Saturday, December 1st. at 1pm**

**Where: 1 South Grady Way, Renton, WA**

**Deadline for sending in Money is November 27. See flyer for address and price**

We in the Can Am Zone have been asked to critique the International Meet, our thoughts, our positives and negatives, in order to provide information to those hosting the following years events.

For those of us who were volunteering at specific jobs, "How did your area do? What concerns?"

Example: I was asked to look after the Memorabilia Room, Watches and Toys, etc. We had very few toys on display this year. Had plenty of room and judges appointed. The watch display was awesome! A locked case was provided by Diane and John Crooks, Diane and Ernie Loga judged. Several displays of unique watches were on hand. Several Chapter members in the Can Am Zone came by and volunteered their time to give us a break.

Please send us your comments and concerns!

Brian Curtis, Zone Coordinator. Pacific Can Am Zone . See page 11 for e-mail and snail mail info.

*SECRETARY'S SCRIBBLES*

Our November meeting was held at Mitzel's in Kent on Sunday the 11th. There were 11 of us in attendance. Laurel was unable to attend, so Mary West, our VP, conducted the meeting. Greta gave a treasurer's report stating that we have sufficient money in the treasury. (The actual amount is not published in the newsletter for safety reasons, ed) She indicated that our expenses are quite low at this time. There was some discussion of how that money might be spent, but no decision was made. Mary told us that the 2018 Christmas party is being arranged by the Avanti Club and will be at the Red Lion Hotel in Renton on Saturday, December 1st. The meals were then served and the rest of the meeting was held after the plates were empty.

The final business was election of officers for 2019. All offices were filled as follows: President - Jerry Walker; Vice President - Mary West; Treasurer - Greta Justad; Secretary - Don Andersen; Newsletter - Odd Justad; Webmaster - Tom Noller; and Historian - Donovan Albrecht.

Don Andersen  
Secretary

We should also mention that our secretary picked up a "new" car at the International. A 1932 President, Model 91. He is going to have lots of fun restoring that one. Please provide us with a picture for the next issue. (ed)

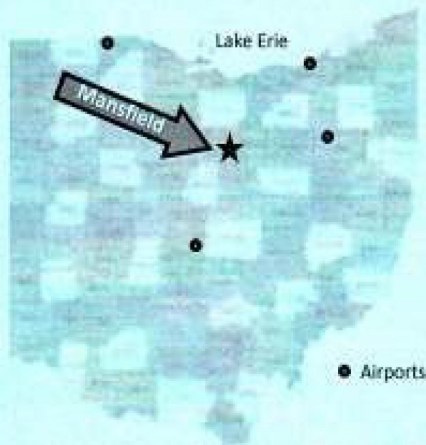

We also want to send a very special word of thanks to Laurel Berry for what was probably a lot more work and responsibility than what she signed up for when she "volunteered" to fill the position of president for our group. Not only was she a VERY capable president, she also became a focal point for many aspects of the recently concluded International Studebaker Meet held in Tacoma. I understand we had a very successful meet (we, of course, were in Norway at the time). It is unfortunate that sometimes those who complain the loudest are those contributing the least, and Laurel had her share of "less than perfect" reactions, even as she and Rick were dealing with family medical problems. Laurel, we thank you for your service, and outstanding grace under pressure. And there was another much valued but underappreciated member of our

team. I am speaking of our own Bob Bryant who, in spite of quite a bit of flak, came through with a stellar performance to make us all look good. We thank them both, and wish them a much less stressful 2019. Hugs and thanks from all of us.

**Bob Bryant's Toy**

OH - IO  
 Welcome to 'Beautiful Ohio'

Mansfield is on the Lincoln Highway and the National Road is just south of Mansfield. The city is serviced with direct flights by three airports—Columbus, Cleveland, Akron-Canton — within 1 hour and 15 minutes driving-time (under 75 miles away).

OHIO is home to the National Packard Museum (Warren) Museum of the U.S. Air Force (Dayton) seven Ohio-born U.S. Presidents and the birthplace of aviation (Wright Brothers, John Glenn, Neil

**2019**

The International Meet has not visited Ohio since 1977 (Cincinnati). Ohio has been a big supporter of the International Meet with the number of attendees ranking in the top 12 states no matter where the meet is held across the country.

Ohio has four chapters and the fourth most populous state with SDC members (behind California, Pennsylvania, Indiana).

Hello:

I have items that may be of interest to your club members. The 1986 book "Studebakers in the News", original condition books. I have about 30 left. They are being sold individually, prices range from \$25 - \$50 depending on condition (some have bindery flaws) and whether they are signed and dated by the author.

Visit website for pricing table.

Also available is "Big Book of Studebaker Fun" game book.

If you think members may be interested, here is the information:

Studebakers In The News, 1986, box of original books found.

Book is compilation of articles from 1902 through 1983.

Hundreds of articles and photos, 386 pages. NEW OLD STOCK !

See all the details at: [www.mdscherer.com/books](http://www.mdscherer.com/books)

I was also able to find an original 1987 vintage mail ad ! I have attached a .pdf file of the ad which may be printed out or viewed.

Thank you for your time.

**CARS FOR SALE**

58 Studebaker Scotsman sedan. Bill McKivor 206-244-8345.

Found in a barn in Oklahoma, someone took it all apart as it was rust and dent free, and did a frame off restoration. My assessment is that the broken odometer was probably right, the car had 48,000 on it. That anyone would do a frame off on a Scotsman rather amazed me, but--- Anyway, something happened to the fellow who did it, it was 80% done, and his family sold it to a man in Texas. It had not been completely put back together, though a heater was found, it has turn signals, chrome bumpers, and a really nice purple and white interior. The exterior was also painted purple, the car looks surprisingly nice. The prep on the exterior paint was not good, and I kept it outside and inside and used the car for everything. The purple exterior is peeling, and will cover it a bit better, good prep work, then a repaint. And, NO trim to take off!!

It runs wonderfully, the 6 cyl flathead drips a bit (find one that doesn't), it has a never fail manual choke (love those), and the car is super dependable. Starts right now, every time. Currently has 14" tires and rims, but a set of 15"( rims only) can come with it if desired. Just installed new brakes, wheel and master cylinders, and it is ready to go. I put in a new gas tank when I got it, and it runs like a deer. Also, it needed gauges and a speedometer, borrowed them from my 57 parts car, I think they all work now,

and I have the 58 bezels to put in gauges that came in the car. It also has new glass all around, (excepting the front door wing windows) with all new seals. It does not leak a drop of water. I was going to use it as a great grocery getter, but have too many cars. It will be inexpensive, \$7500 covers my cost, I think, so let's call it that. Where else can you get a frame off restoration for that money? Finish to taste---

57 Studebaker Silver Hawk.

Never a dent, never any rust, the chrome and stainless all original and never restored---even the wheel covers and the exhaust tips are original on the car. Exterior was painted in 1995, all with correct colors and paint. The interior all original, radio worked until recently, it tries, but needs a diode or something. Heater is fine. Car was always stored in heated garage at a dealership, up to 1995. There is not even a crack in the steering wheel. The seats were repadded, over padded, really, and are super comfortable, and the last owner had custom covers made that look like Studebaker to the unpracticed eye. All running gear is original, 289 V8, Stick shift, overdrive--- I put in new valve guide seals, and a rebuilt Carburetor---all the motor needed.

My only change to the car was to put

in front disk brakes, so it has a dual system, and stops on a dime now, straight ahead. Done for safety, and no one knows the difference to look at it. The exterior and interior, and all chrome and stainless, are very nice and it shows well. All interior parts original except the seat covers. Odometer was not working, and last owner replaced it, with one with higher

miles. His estimate, and mine, is that the car has 90K on it, over 70K by the original owner, who used the car. The history of the car is compelling, it never was stored, always used a bit. I drive it often. In 2012, at the Can Am, had it judged, it gained 378 points out of 400. I have the judging sheet. The Hagerty insurance folks came out and checked this car over, it is valued in the book at \$38, 500, I put \$35,000 insurance on it, and we can talk about it. One other estimate of value came out at \$35,000 as well, done 4 years ago. You will never find a nicer nearly unrestored stock Silver Hawk. Bill McKivor 206-244-8345

I have a lot of parts for sale al-

Club member,

A good friend of mine recently passed away from cancer, and his widow would like to sell his 1968 Studebaker to pay some bills. It is a beautiful convertible car that is in good running condition. We would like to list it, and hoping to get some advice on the value, and best place to list it for sale. The car is located in Chelan Washington. Any advice you could give would be greatly appreciated. A few pictures are attached.

Thank you,

Kyle Mahuika 509.630.4233

**1940 Business Coupe** . I am the second owner of the car, it has never been wrecked, I have all the parts for it. Original keys from the dealership in Santa Cruz Cali., stainless chrome is completely straight... This car as straight as it was when it came off the showroom floor, all lines line up and all gaps are consistent and straight. Car does not have any running gear. I have it listed on Facebook for \$5,700.00 OBO... I can also be reached at 253-230-7991 or Joe Law at [ljlaw72@gmail.com](mailto:ljlaw72@gmail.com) **6-18**
