The President's *STEERING COLUMN*

What a great turnout we had at the Pacific Can-Am zone meet. 50+ nice cars and good weather. We would like to thank Whatcom chapter for hosting the meet. We also want to thank the Bell's for opening the museum to everyone so we can see all their Studebakers from 1890-2001. What a collection it is.

August 3 is our Mud Mountain Dam meet . I would like to see a big Studebaker turnout. My 62 Lark will not be able to make it as there is still no windshield gasket.

November election is coming up. I would like to get some new people in to take over so the others can retire from the job. It's not a hard job and we need some new faces and ideas for things to do and places to go.

Thank You Jerry Walker Jr

We want to welcome our new members, Douglas and Maureen Maclean from Redmond with a 1953 Pickup. Hope to see you at the picnic at Mud Mountain dam

Recently we have had the good fortune to have too much money in our treasury, How can we have too much money you may ask? Well, we are a non profit entity, and IRS does not like us to be above a certain amount. So it is time to get rid of some money. Like giving it away to a good cause. I am sure there are a lot of good causes out there, so we have to select one or two. Here we are open to ideas. One thing to bear in mind is that we cannot give to any cause that is connected to any political or religious organization.

It so happened we just got a letter from the Stu-

debaker museum that they would like to acquire what they consider probably the most important Studebaker for sale in the last 50 years. That is the 1931 Studebaker Indy Car, and it is being auctioned off at the Gooding Auction August 16-17 in Monterey. At this point they only want a pledge. It could be something to be considered..

Our secretary is considering something else in his scribbles which would be something closer to home.

Please come up with suggestions, We will have to act pretty fast.

SECRETARY'S SCRIBBLES

The July outing for the Seattle Chapter was attendance at the 2019 Can-Am Meet in Bellingham. The weather was good and the parking lot show area was filled with fine Studebakers. The swap meet was, as expected, not very large. I found a few items that I didn't know I needed, but bought them anyway. And, two of the items purchased are going to work on one of my cars. A nice surprise.

I am not aware of any actual meeting of our Chapter there. I talked with President Jerry and Treasurer Greta at one point and the topic of contributing some of the chapters funds was discussed. I suggested the Way Back Inn, a charity based in Renton that helps families with children to be able to live in houses rather than cars. Of course, nothing was decided because it was not a planned meeting. Joanie and I saw 12 other Chapter members at this event. A pretty good turnout. A car came into the show area Saturday afternoon that was of particular interest to me. It was a 1931 7 passenger sedan on a trailer and it was gone fairly quickly, but was there long enough for me to get pictures. It was a nicely restored car with an interesting 2 tone color scheme. Gives me ideas for my '32.

Our August outing is our annual picnic at Mud Mountain Dam picnic area. That is always a great event. See you there.

Don Andersen, Secretary
