

## The President's *STEERING COLUMN*

Hi

We made it home from the Philippines, but our trip was cut short by a week. It was crazy getting out on Friday when we found out we needed to be back in Manila by Saturday night before Manila went into lock down until April 14 . On Monday all flights out were cancelled and a curfew declared from 8pm to 5am . On Tuesday there was more information. We had 72 hours to get out of the Philippines before everything went into lock down . Just happy to be home.

As you all know, all spring car shows have been cancelled. That means everyone has more time to finish or clean up their cars. I am looking forward to showing off my car.

Thanks Jerry

See below for statement received from SDC

## A statement from The Studebaker Drivers Club, Inc. on the recent outbreaks of Coronavirus

**The Studebaker Drivers Club, Inc.** is aware of the impact the **Coronavirus** is having on the daily life of SDC's members. Our hearts go out to those who have been affected by this unprecedented event. At the same time, we support the efforts of healthcare personnel, governments, and persons who are working on the front lines of this situation to keep people healthy. SDC will continue to monitor events as they occur in the coming weeks and months. Travel to an event some 4-5 months away may not be high on your list at this time, but SDC will continue to keep you informed of our plans for the **International Meet**.

SDC and the **Chapters of the Southeast Zone** continue working on the **56th International Meet** of the club in **Chattanooga, Tennessee** on **August 5-8, 2020**. SDC will keep you informed of any changes to planning for the meet through the Studebaker Drivers Club Forum (<https://forum.studebakerdriversclub.com>) , the SDC International Meet site ([www.sdcmeet.com](http://www.sdcmeet.com)), and in various postings on FACEBOOK, and other media.

Please be cautious in your travels. SDC is hopeful this time will not affect your travel plans for Spring, Summer and Fall, but the **Executive Committee of SDC**, and the **Chapters of the Southeast Zone** remain committed to bringing you an informative, educational and relaxing late Summer event to cap your travel season with Studebakers.

## SECRETARY'S SCRIBBLES

Our March meeting was held on the 7th. We met at the Thunder Dome Car Museum in Enumclaw. Thunder Dome is a new museum, open less than one year, and it is a nice new building. We had a tour guide who was quite knowledgeable of their cars. There were several interesting cars, but no Studebakers. There was a rat rod that was stated to be Studebaker, but we could not see anything identifiable as Studebaker. The most interesting car to me was a well restored 1929 Packard sedan. After the museum tour we went to Krain's Corner Restaurant for a late lunch. Eleven people were present that day, but only one Studebaker was driven (Jeff Jennings' 1939 President). No formal meeting was held. I have no info about the next meeting. It may well be cancelled because of the co-

rona virus. The Almost Spring Swap meet scheduled for the 14th and 15th was cancelled.

I see all these cancellations as an opportunity to spend more garage time. Been working on both of my Studebakers and making some progress on them. Have run into a snag on the '32 with the water pump. The water pump that came with the car is the same as the one on my '37, but will not work on the '32. I have been able to buy a housing, but it is missing the packing nut. So if you have or know of a packing nut for a '32 President water pump, please let me know. Thank you.

Stay Healthy,

## EDITOR'S CORNER

Hope you all are in good health and have not been affected by the Corona Virus. The only news these days seems to be related to that subject. As you can see, all our functions for April have been cancelled as well as our May 2nd meet with the Horseless Carriage Club. I really expect it to continue into May and later. But as long as I do not get a cancellation notice I have kept the various ads for upcoming functions in the newsletter. Stay tuned for further updates .

On another note, we still have a few who have not paid their dues for 2020. I still have not taken you off the mailing list, but expect to do that soon

Got this from Durkees

Feeling the need for car show season? Wanna have some fun hanging out with friends? We've got an opportunity to help support some worthy charities- Maple Valley Food Bank, Vine Maple Place (for homeless single Moms and children) and the National Multiple Sclerosis Foundation on Saturday, May 9th from 10-3.

Kenny met with the organizer, Ty, yesterday. He's quite excited to raise funds for these charities. All the proceeds will be split between the organizations.

There's plenty of parking for our cars and you'll love the property. This is a former golf course and now owned by New Community Church. They've donated the grounds and buildings for the day.

If we have a committed group of 15 cars, we're guaranteed parking together.

We've promised to let Ty know what we can do. Look forward to hearing from you.....Here's to Car Memories 2020!

Hi,  
Please join me on Memorial Day Sunday for the SDC Family Picnic. I have invited all makes that Studebaker was associated with in their history and hope to get a representative of each. There are about 60 parking spaces on the green and another 100 plus in the parking lot of Griot's.

We hope to have raffles throughout the picnic and some games to keep it interesting.  
Please add this event to your calendar and spread the word so we can have a great crowd to enjoy the day. If you have any questions, please email me at [avantibob1@gmail.com](mailto:avantibob1@gmail.com) or visit SDC Tacoma 2018 International Meet {until I can figure out how to change the title) on Facebook.

Hope to see you there,

Bob Bryant
